Vijayawada.  
Date: 14.09.2022

No. B/P. Con/11/MD Screening/Vol.II

All Concerned

Sub: Absorption of Medically de-categorized staff in the alternative posts-reg

\*\*\*

The Medically de-categorized staff screening for alternative post is fixed to be held on 16.09.2022.

It is noticed that the medically de-categorised staff when called for the screening are not being directed to Sr.DPO/O/BZA and continuing against the supernumerary post for quite a long time which is in violation of Board's instructions.

In this connection, it is to inform that if any such medically de-categorised employee available under your control may be directed immediately to this office with proper identification on 15.09.2022 without fail.

If it is found any medically de-categorised staff who are not directed for screening and brought to the notice of this office, the concerned Supervisory official will be held responsible and will be taken up and matter will be viewed seriously.
