No. 2018/Catering/600/09

New Delhi, Dated: 02.07.2023

The General Managers,
All Zonal Railways.

Sub:- Provision of alternate site for existing Base Kitchen and Kitchen Units at stations being taken up for redevelopment.

Reference has been received from IRCTC intimating that due to redevelopment works at several stations over IR, Zonal Railways are approaching IRCTC to handover the sites of existing Base Kitchens and Kitchens units, which are at present nominated for supplying meals in trains, to enable construction activities.

In order to ensure provision of uninterrupted and adequate catering facilities/services to travelling passengers at the stations being taken up for redevelopment, the issue has been examined in Board's office and it has been decided that an alternate site of adequate size for Base Kitchens and other Kitchen Units (RRs and Jan Ahaars), which are earmarked for supplying meals in trains, would be made available during the redevelopment process of such stations. Identification and earmarking of space/site needs to be done accordingly in the vicinity of all such stations.

This issues with the approval of the Board (M/O&BD and MI).
