Please note and notify that the staff working under your control to make all efforts to achieve the targets as fixed . More emphasis should be made to achieve the target fixed for TWT cases.

All in charges are advised to motivate the staff and ensure achievement of targets both in cases and earning. Stress should be given for prosecution cases and cleanliness drive also. A report should be submitted every month to the under signed on the performance of the staff working under your control and counsel the least earners to achieve the target as fixed.
