Ref: (1) Railway Board's letter No. E(GP)2022/2/4 dated 18.01.2023
(2) NAIR letters of even number dated 31.01.23, 06.02.23 and 24.02.23

1. Main Exam of Centralised CBT for Gr.B selection against 70% quota for the vacancy cycle from 01.01.2023 to 31.12.2024 was held on **19.02.2023** in 14 cities across 19 centres. Supplementary Examination for the eligible absentees was held on **05.03.2023** in one centre at Nagpur. Staff of 25 Zonal Railways and PUs participated in the CBT. The list of posts for which CBT was held for each Railway/PU is attached as **Annexure-A**.
2. Question paper pattern for the examination was as follows:
 - For **AFA** – There were 110 questions (including 10 optional questions on official language policy and rules) each carrying one mark and the candidate was required to answer any 100 questions.
 - For posts of **AOM, ACM, APO, AEE, AEN, AME, AMM and ASTE** - There were 110 questions each carrying one mark out of which 100 questions were to be answered. There were two sections as per following distribution:
 - Part-A** : Professional Subject including 10 optional questions on official language policy and rules – 80 questions (To answer any 70)
 - Part- B** : Establishment and Financial rules – 30 questions (To answer 30)
 - Each question carried 01 mark. There was provision of negative marking and one-third mark was deducted for each wrong answer.
3. Question paper was in 02 languages (Hindi and English). The candidates could view the question paper in both the languages and answer the questions.

4. Objection tracker was live from evening of 07.03.23 to 17.00 hrs of 10.03.23 (three days) in NAIR website to enable the candidates to raise objections on questions / answer keys. The objections received were thoroughly examined and appropriate decision was taken with regards to modification of answer keys of some questions and omission of incorrect questions. Thereafter the final processing of the result was done with the revised answer keys and after deletion of the incorrect questions.
5. **Treatment of deleted questions:** Incorrect questions have been omitted (deleted) from evaluation as per the guidelines contained in Board's letter no. E(GP)2022/2/4 dated 26.10.2022 (RBE no. 134/2022) and 28.11.2022. Since the current CBT had optional questions, the procedure has been adopted only for those candidates who have **attempted** the deleted questions. For ease of understanding, the procedure adopted is explained with the following illustrations:
 - i. This procedure will arise only if the deleted question has been **attempted** by the candidate. If the candidate has answered either all 100 or less than 100 questions, but the deleted question is **not** one of the attempted questions, there is not any impact for him/her and his/her final score has been determined out of 100.
 - ii. If the candidate has attempted 100 questions and two of these have been subsequently omitted /deleted, he has been evaluated out of 98, and finally re-calculated out of 100.
 - iii. If the candidate has attempted, say 90 questions and two of these have been subsequently omitted/deleted, he has been evaluated out of 98, and finally re-calculated out of 100.
6. All the original documents in connection with the CBT held on 19.02.2023 and 05.03.2023 are available with the Zonal Railways/PUs. They are requested to scrutinise the specific adverse reports against some candidates and take appropriate decision about cancellation of their candidature in accordance with the instructions mentioned in the call letter.
7. The Railway/PU - wise and post-wise results of the examination are sent herewith (emailed directly to the Dy.CPO/Gaz or Dy.CAO/G) in Excel file (containing full particulars and scoring details of the candidates) and digitally signed PDF (with only scoring details) for further necessary action. Some candidates were allowed to appear in Main/Supplementary exam on provisional basis based on directions of court etc. Hence eligibility of the candidates is to be properly examined before publishing the written result.
8. Respective Zonal Railways and PUs should directly deal with RTI applications and court cases, if any, arising out of the CBT.
