Nidadavolu
Dt.17.12.2022

No: 20/Bridges/FOB/196/B/01/2022-23

**SS/TDD,
SSE/Elc/M/Eluru, SIPF/TDD, SI/GRP/TDD
SSE/OHE/TDD, Engg Control/BZA & All concerned**

Sub: Closing the Foot over bridge no. 196/B at TDD yard to undertake repairs to Gangway slab- Reg.

With reference to the above cited subject, it is to notify that the FOB no 196/B at km 536/6-8 connecting PF no 1 to PF no 2 the gangway slab is damaged badly and unsafe for passengers utilising this to reach PF no 1 to PF no 2&3 in Tadepalligudem station. The repairs to the FOB will commence from 21.12.2022 to 04.01.2023. For convenience of passengers a pathway towards BZA end is made ready. So kindly instruct/Guide the passengers/staff to utilise the pathway to reach the PF No 2&3 till completion of repairs to FOB.

After completion of repairs to FOB, the same will be communicated for usage of FOB for passenger use.

This is for your kind information and necessary action at your end please.
