Sub: Compression of PNR files – reg.
Ref: RGM/CRIS/MAS's letter No.CRIS/MAS/PRS/2 dt. 21.12.2023

.....
CRIS has planned to do a compression of all PNR files in the intervening night of 24.12.2023 and 25.12.2023, after CONSHUT activity. A **downtime of 05 hours (i.e. from 00:10 hrs of 25.12.2023 to 05:10 hrs of 25.12.2023)** is required for the same. System will be handed over for CONBOOT after completion of the above mentioned activity by CRIS.

During the above activity, the following services **will not be available.**

1. PRS Booking
2. PRS Cancellation
3. PRS Enquiry
4. Charting services.

Please instruct all charting locations to prepare charts of the trains departing upto 10.00 hrs of 25.12.2023 before 23:15 hours of 24.12.2023. Also, Current booking charts of the trains departing upto 06:00 hrs of 25.12.2023 are to be completed before 23:15 hrs of 24.12.2023.

It is requested to kindly make necessary arrangements for advance preparation of charts, manual cancellation etc. wherever required well in time. It is also requested that a staff may be deputed to be present at the Control Office during the above mentioned activity. PRS Console staff will co-ordinate with the station staff to ensure the above.
