Sub: Centralized Computer Based Tests (CBT) for selections/LDCEs -
reg.

Railway Board vide their letter dated 16.01.2024 [RBE No.05/2024] have advised that, Board in principle accepted the recommendation of committee (constituted to study and recommend measures to obviate eventualities of delay in finalization of selections) regarding selections to Non-Gazetted posts to be centralized at the level of Zonal Railway with adoption of a common calendar for a Zone. Board, further advised that, Zonal Railways may adopt Centralized Computer Based Test (CBT), as per their administrative convenience following a model calendar uniformly applicable for all Divisions in a Zone.

The matter has been examined by the competent authority and a Committee has been constituted to study the modalities to conduct the Computer Based Test (CBT) by the Headquarters for all the selections throughout the Zone and to submit its report. Till the submission of report by the Committee, it is decided that, CBT will be organized by the RRC/SC as was done in the case of Level-1 posts, tentatively for a period of one year.

In view of the above, Divisions/Units are advised to prepare a selection calendar for making uniform procedure and timeline, for each category and the same may be sent to this office for record. The combined eligibility list may be compiled at HQ for conducting the CBT.

This issues with the approval of PCPO.

Please acknowledge the receipt.
