Subj: Permission for allotment of 4 berths in
'C' Cabin/... for Naval Personnel - Reg.

The Courier parties of Eastern Naval
Command, Visakhapatnam, are being detailed to
New Delhi with highly classified documents,
pertaining to the Indian Navy in sealed
trunks/gunny bags..

Each Courier party consists of one Service
Officer and a Senior Sailor with Arms. The Navy
books 4 berths in AC-II tier by Mail/Express
trains to enable the Couriers to travel with
luggage. The purpose of booking extra two berths
is mainly to accommodate classified mail being
carried by the Couriers and not to allow
other passengers to occupy those berths for
Security reasons.

In view of the above reasons, you are
advised to please instruct the staff (Conductors)
concerned to cooperate with the Couriers Party
to carry the highly classified documents in
sealed trunks/gunny bags alongwith them in their
confined berths by way of the trains going to
New Delhi/Mumbai.

The above instructions should be followed
strictly, without any hitch.
