Date: 10-11-2022

PCCM
Eastern Railway,
Kolkata

Sub: Fake Concession Certificate issued for cancer patients by Dr. D Ghosh (Reg. No. 49507); Medical Superintendent, Subodh Mitra Cancer Hospital & Research Centre, Salt lake, Sector- III

The issuance of fake Concession Certificate by non-existent doctor has surfaced. The background of the case is furnished below:

1. Booking Supervisor of Kankinara (KNR) station, SDAH division, on being alerted by abnormal volume of Cancer Concession Certificates being tendered at his station, escalated the issue to Sr. DCM, SDAH. (Copy enclosed).
2. SR. DCM brought it to the notice of Eastern Railway Vigilance.
3. The hospital in question, Subodh Mitra Cancer Hospital & Research Centre, when intimated to confirm the genuineness of the signatory Dr. D Ghosh, Medical Superintendent- Reg. No. 49507, intimated that no such doctor has been empanelled by them.

Hence, the Concession Certificates issued under the signature of aforesaid doctor are fake.

Under this circumstance, following recommendations are being made:

1. All supervisors may please be advised for being vigilant about the concessions being tendered at their depots.
2. Divisions may depute staff to the nearby hospitals/institutions from where concessions, in a large number are being recommended, for ascertaining existence of the signing doctor.
3. The 'Anti-fraud squad', if any, and checking staff may please be associated in checks for apprehension of beneficiaries of these fraudulent concessions.
4. The reservation secured on the basis of fake certificates issued by Dr. D Ghosh and those concessions, for which journeys are yet to be commenced, may please be checked on board for apprehending the fake-travellers.

Feedback, in this regard, may please be communicated.
