Railway provides Comprehensive Health Care Facilities to its beneficiaries through its health Institutions along with referrals to recognized hospitals whenever necessary. The beneficiaries, among others, include retired employees and their dependent family members. Large no. of retired beneficiaries live in the newly developed suburbs of various cities throughout India. These parts of the city are often far away from the established Railway Health Institutions. In this scenario the RELHS beneficiaries coming to Railway Health Institutions in routine is acceptable, however in emergency situations, precious time is lost in travel to the railway hospital.

To overcome this problem, Railway Board has decided to roll out a "Cashless Treatment Scheme in empanelled hospitals for retired employees and their dependent family members in emergency situations" (CTSE). The empanelled hospital shall give necessary treatment in emergencies and raise the bill directly to Railway authorities; provided the identity and eligibility of the patient is established as CTSE beneficiary and emergency is certified by designated Railway Medical Authority (RMA).

14.1 IMPLEMENTATION OF THE CTSE SCHEME:

- M/s. UTIITSL will develop an application to enable RELHS beneficiary to apply for new 'CTSE Card' at the website. All RELHS beneficiaries may apply online for CTSE.

Note: For the benefit of those RELHS beneficiaries who are not comfortable with the online form, an offline process of obtaining the card has also been designed.

- After filling up the form, the print out of the completed form will be submitted by the retired Railway employee to the concerned Personnel Department (Division/Zone/PU/Other Units) along with Self attested photocopy of Aadhar Card, RELHS Card, PPO and any other documentary proof on the claims made in application form. The fee, to join CTSE per family (comprising of all eligible members as per RELHS Card) shall be as follows:

Those entitled to Pvt Ward - Rs.30,000/-

Those entitled to Semi-Pvt Ward - Rs.15,000/-

Those entitled to General Ward - Rs.6,000/-

- Ward entitlement is dependent upon last salary drawn and shall be displayed at the website while filling the form.
- All the existing facilities are even otherwise available to the RELHS beneficiaries. However to avail cashless treatment in recognized hospital (the new facility), they will have to get the new CTSE Card. One card to each beneficiary will be issued on payment of Rs.200/-. The CTSE Card shall also serve the purpose of RELHS Identity card, for these beneficiaries; however the vice versa will not be true.
- The Personnel Department will authenticate the bonafide of the beneficiaries (from the RELHS Card etc.) Personnel Department shall duly authenticate application and authorize M/s.UTIITSL to make "CTSE Photo-identity Card" which will be issued to the beneficiary. M/s UTIITSL shall use the updated database at ARPAN/UTI website for printing the new CTSE card. This way there will be 100% conformity between the data base and the new CTSE Card.

- Medical Department of zonal railways will empanel private hospitals (located in its geographical limits) recognized by CGHS at the same rates (CGHS empanelled hospitals which are not lying in the jurisdiction of any Zone/PU shall be empanelled by the zone which has jurisdiction in some part of that district/state).
- Information about any railway patient admitted to an empanelled hospital will be communicated by the empanelled hospital to the Railway Health Institution. Authorization for treatment will be given by Railway Health Institution (through its designated Railway medical Officers) based on clinical parameters communicated by the hospital within 24 hrs. The communication will be normally through the website/SMS, however if the situation demands other means of communication may also be employed.
- If the authorization is not forthcoming from the designated doctor within 24 hours period then at the end of 24 hours period the concerned MD/CMS/CMO shall automatically receive an alert, to make a decision and communicate it to hospital. Likewise there will be an automatic alert to the concerned CMD at 36 hrs and AGM at 47 hours period. If Railway fails to respond within 48 hrs, then that case shall be considered as emergency and the cost of entire treatment shall be borne by Railway. List of all cases, in which no decision could be made about emergency within 48 hrs period, despite private hospital submitting all the details, shall be put up to GM every month.
- If emergency authorization is declined the patient shall be apprised through sms by the system and the patient will be transported to Railway Hospital by the empanelled hospital in its own ambulance or the patient may be asked to report to Railway hospital for treatment at convenient hour. The Railway will bear the expenses till the emergency authorization is declined by a positive act. If the patient or his/her representative refuses Railway Medical Services and opts to continue treatment in the non-railway facility, the cost of such treatment will be borne by the patient or his / her representative without any further reimbursement from Railway.
- In line with provisions of MoA signed between MoHFW and CGHS empanelled hospitals, such bills by the hospital shall however be

Formula:-

Basic Pension =

Pay in PML
2

 or

50 % of Average Emoluments

 Whichever is more

Calculation:-

Basic Pension =

64,100
2

 or

50 % of Average Emoluments

 Whichever is more

Pension	Rs.32,050/-
Ordinary Family Pension (30% of pay)	Rs.19,230/-

= Rs.758,730/-

Calculation for LHAP:
$$\frac{(\text{BP } 64100 + \text{DA}21794) \times \text{No. of Days of LHAP}35 \text{ shortfall of LAP}}{30 / 2}$$

= Rs.50,105/-
