विषय/Sub: Implementation of HHT application

With implementation of HHT application, the necessary check has been in put in place to ensure the following

a) Vacant accommodation, if any, after preparation second reservation would implicitly get transferred to the next remote location. TTEs on train can book such vacant accommodation only upto next remote location.

b) Accommodation found vacant due to non turning up of passenger can be reallocated by ticket checking staff only destination of the non-turned up passenger

Therefore the above listed business rules shall be reiterated to TTE, to avoid ambiguity and public complaints.
