No.2023/PR/7/13A

Dated: 27 .09.2023

**The General Manager
All Zonal Railways**

Subject: Installation of 3D Selfie points across the Railway Stations over Indian Railways.

3D Selfie/Photo Booths to be installed at different Railway Stations over Indian Railways to showcase the achievements.

2. These selfie booths to be fabricated with permanent durable 3D fiber sculptures with Acrylic boards, Glass and fit-in lights. Such Selfie/Photo Booths will consist of 3D sculptures modeled and carved with the materials like fiber or clay / plaster of paris (PoP) along with MS pipes and steel wires for the reinforcement from inside. The background structure of such platforms may also be carved out with the fiber and clay painted with the weather proof paint. This gives a very attractive and authentic finish to the Selfie Booth. This material also supports lighting, which gives the booth a very elegant and attractive appearance. Following are the key elements of such booths:

- i. Base platform may also be carved out with the clay or stone painted with the weather proof paint covering the complete area of 3D Selfie/Photo Booth.
 - ii. The background structure of such platforms may also be carved out with the fiber and clay painted with the weather proof paint giving the background to the whole structure of the selfie booth.
3. The agencies setting up the Selfie/Photo Booth may also be asked to provide below mentioned facilities/services at the selfie booth:
- i. The agency will be responsible for house keeping and maintenance till life span.
 - ii. The agency will be responsible for photography and videography.
 - III. The agency will be responsible for all other ancillary jobs as required by Railways.

4. This work may be done at maximum number of stations by all the Zonal Railways. The link of the 3D selfie points/booths is as under:
