Sub: Instructions for smooth functioning of HHTs- Reg

Hand Held Terminals (HHTs) supplied to Ticket Checking Staff are for official working by the staff. The HHTs supplied are with 2GB RAM. To overcome the limitations of limited RAM, it is instructed to use the device only for official purposes related to ticket checking. In this regard, the following instructions are issued:-

1. Only HHT App and Google Chrome to be installed in HHT Device. Google chrome to be used for official purpose only
2. Other inbuilt Apps may be disabled
3. Separate "email ID" should be created for HHT Device
4. Before Signing ON for duty - Device should be fully charged and all Cache/Data to be cleared
5. After completion of duty, log off to be done from HHT App and also the Device to be switched off.

The above instructions were also given to officers/staff during the Ticket checking meeting held on 28.02.2023 at Headquarters.
