No. E(G) 2023/CL-4/4

New Delhi, Dated 5.09.2023

**The General Manager/MD
SECR, NCR, ECoR, SCR, SWR, WR,
IRCTC.**

**Sub: Launch of "PM Vishwakarma Scheme" on 17th September, 2023
- reg.**

**Ref: Minutes of the 1st Meeting of the Organizing committee for PM
Vishwakarma Launch Events dated 04.09.2023.**

Please refer to Minutes of the 1st Meeting of the Organizing Committee for PM Vishwakarma Launch Events dated 04.09.2023, Hon'ble Prime Minister is going to launch the PM Vishwakarma Scheme on 17th September, 2023. The event will be launched in 71 cities/locations across the country, out of these 71 locations/cities, the following 10 locations/cities have been allotted to Indian Railway:-

1. Raipur 2. Bilaspur 3. Jhansi 4. Bhubaneswar 5. Vijaywada
6. Hubli 7. Ahmedabad 8. Rajkot 9. Vadodara 10. Mumbai.

As desired by the Ministry of Micro, Small & Medium Enterprises, the details of the activities to be undertaken are annexed at annexure 2-4, it is mentioned that the arrangement for the events at the locations/cities will include booking of venue, hiring of event management company, marketing and publicity etc. may be done by the DRMs of the respective Divisions who will also nominate a Nodal Officer for these events. The funding support (subject to actuals) for the events would be provided by M/o MSME, which is as under:-

- Rs. 16 lac for venues with 1000 + capacity.
- Rs. 12 lac for venues with 500 + capacity.
- Additional Rs. 7.5 lac for catering for all venues.

Further, M/o MSME has advised that the arrangements for catering for all the 71 locations/cities will be done by IRCTC in coordination with M/o MSME. Since the event is of paramount importance, it is desired that the suitable venues for the event in the above locations/cities is advised immediately and a Nodal Officer is nominated to coordinate with M/o MSME, local administration, IRCTC, NIC to ensure that the event is held successfully.

The Nodal Officer from IRCTC may be deputed to attend the 2nd meeting at 4: 00 PM on 06.09.2023 at Udyog Bhavan.

PED/IR will be coordinating the events at the MoR level.

DA: As above

(Mohit Sinha)
Director General/HR
Railway Board.

Copy to : JS-AFI, Ministry of MSME.

Minutes of the 1st Meeting of the Organizing Committee for PM *Vishwakarma* launch events

Meeting Date: 04th September 2023, 3:00 PM

Location: Room no. 51, Udyog Bhawan, New Delhi

Meeting Agenda

Meeting of the Organization Committee involving different Ministries/Departments for organizing events at various locations across the country coinciding with the launch of PM Vishwakarma launch event on 17th September 2023

Points for Discussion

- At the outset, Secretary-MSME welcomed all the participants to the meeting.
- Thereafter, AS & DC-MSME gave a brief overview of the scheme and highlighted the convergent and whole-of-Government approach followed in *PM Vishwakarma*.
- A brief presentation was made by JS-AFI, Ministry of MSME on the following key areas:
 - List of 70 locations across the country for organizing events
 - Activities to be undertaken and IT arrangements to be made
 - Provision for financial support for organizing the events
 - The details on the above aspects are provided at *Annexure 2*

The following key points were suggested during discussion:

- State governments may be engaged for organizing the events across the locations instead of various Central Ministries.
- Some members opined that state governments are better versed with local vendors; it may be better to entrust them the task of organizing the respective local functions.
- Members from Department of Telecom and Ministry of Education may be added in the Organizing Committee.
- A check of list of activities and draft scope of activities to be undertaken may be shared.
- Draft RFP for organizing main PM *Vishwakarma* launch event in Delhi on 17th September 2023 may be shared for drawing scope of activities to undertaken by event management company at various locations.
- Locations may be bifurcated in terms of gathering of 500+ and 1000+.

The following key decisions were taken:

- Necessary co-ordination with State Governments/UT Administrations will be done for the smooth and successful conduct of events at various locations across the country.
- Any changes proposed in the shared list of assigned locations (*Annexure 3*) may be communicated to the Ministry of MSME by 6 September 2023.
- Ministries to identify suitable venues for their respective locations by 6 September 2023.
- Funding support (subject to actuals) would be provided for each event @ Rs 16 lakh for venues with 1000+ capacity and Rs 12 lakh for venues with 500+ capacity, with additional Rs 7.5 lakh for catering for all venues. Modality of fund transfer may be indicated by the Ministry/Department.
- Food packets for the assembled public would be provided by IRCTC and where IRCTC funds are not available, funds for catering would be provided separately.
- Suitable arrangements for lunch for Chief Guest and other guests to be made locally.
- The next meeting of the Organizing Committee will be held at **4 PM on 6 September 2023 (Wednesday)** at the same venue.

DISCLAIMER

1. This Request for Proposal (“RFP”) is issued by Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India.
2. The information contained in this RFP or subsequently provided to bidders, whether verbally or in documentary or any other form by or on behalf of DPIIT or any of its employees or advisors, is provided on the terms and conditions set out in this RFP.
3. This RFP is not a contract and is not an offer by DPIIT to the prospective bidders or any other person. The purpose of this RFP is to provide interested parties with information that may be useful to them in the formulation of their proposals pursuant to this RFP. This RFP includes statements, which reflect various assumptions and assessments arrived at by DPIIT, concerning the project. Such assumptions, assessments and statements do not purport to contain all the information that each bidder may require. This RFP may not be appropriate for all persons, and it is not possible for DPIIT, its employees or advisors to consider the objectives, technical expertise and particular needs of each party, who reads or uses this RFP. The assumptions, assessments, statements and information contained in this RFP may not be complete, accurate, adequate or correct. Each bidder should, therefore, conduct its own investigations and analysis and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments and information contained in this RFP and obtain independent advice from appropriate sources.
4. Information provided in this RFP to the bidders is on a wide range of matters and is not an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law. DPIIT accepts no responsibility for the accuracy or otherwise for any interpretation or opinion on the laws expressed herein. DPIIT, its employees and advisors make no representation or warranties and shall have no liability to any person including any bidder under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, claims, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this RFP or otherwise, including the accuracy, adequacy, correctness, reliability or completeness of the RFP and any assessment, assumption, statement or information contained herein or deemed to form part of this RFP or arising in any way in this selection process. DPIIT accepts no liability of any nature, whether resulting from negligence or otherwise, however, caused, arising from reliance of any bidder upon the statements contained in this RFP.
5. DPIIT is entitled, in its absolute discretion, but without being under any obligation, to update, amend or supplement the information, assessment or assumption contained in this RFP. The issue of this RFP does not imply that DPIIT is bound to select a bidder or to appoint the selected bidder for this project and DPIIT reserves the right to reject all or any of the proposals of any bidder, without assigning any reason whatsoever.
6. DPIIT or its authorized officers/representatives/advisors reserve the right, without prior notice, to change the procedure for the selection of the selected bidder or terminate discussions and the delivery of information at any time before the signing of any agreement for the project,

without assigning reasons thereof.

7. The RFP does not address concerns relating to diverse investment objectives, financial situation, and particular needs of any party. The RFP is not intended to provide the basis for any investment decision and each bidder must make its / their own independent assessment in respect of various aspects of the techno-economic feasibilities of the project. No person has been authorized by DPIIT to give any information or to make any representation not contained in the RFP.
8. DPIIT may terminate the bid process at any time and without assigning any reason and makes no commitments, express or implied, that this process will result in a business transaction with anyone.

Financial Evaluation

- Financial bids of technically qualified bidders shall be opened i.e. those who score minimum 70 marks out of 100 marks in technical evaluation.
- 100 Points will be awarded to the bidder with the Lowest Total bid(LTFBQ) and the rest of the bidders will be awarded points inversely proportional to the LTFBQ. Formula for calculation of the financial marks are as follows;

Formula: - $(LTFBQ/TFBQ) * 100$

LTFBQ: Lowest Total Financial Bid

TFBQ: Total Financial Bid Quotation

Combined Evaluation

Based on the criteria mentioned above, the combined score shall be obtained by weighing the technical and financial scores in the ratio of 70:30 and adding them up. On the basis of combined weighted score for technical and financial, the bidder shall be ranked in terms of total score obtained. The proposal obtaining the highest combined score in evaluation will be ranked as H-1 followed by the proposals securing lesser marks as H2, H3, etc. The bidder securing the highest combined marks will be considered for award of the contract.

Example:

As an example, the following procedure will be followed. The minimum qualifying marks for technical qualifications are 70 and the weightage of the technical bids and financial bids is kept as 70:30. Assuming that in response to the RFP, 3 proposals, A, B & C are received. The technical evaluation committee awards them 75, 80, and 90 marks respectively. The minimum qualifying marks are 70. All the 3 proposals are, therefore, found technically suitable and their financial proposals will be opened after notifying the date and time of bid opening to the successful participants. Assuming that the evaluation committee examines the financial proposals and the quoted total bid values are as under:

Proposal	Total Bid Value
A	: Rs.120
B	: Rs.100
C	: Rs.110

Using the formula $LTBV / TBV$, where LTBV stands for Lowest Total Bid Value and TBV stands for Total Bid Value, the committee will give them the following points for financial proposals:

A	: $100 / 120 = 83$ points
B	: $100 / 100 = 100$ points
C	: $100 / 110 = 91$ points

In the combined evaluation, thereafter, the evaluation committee will calculate the combined technical and financial score as under:

Proposal A	: $75 \times 0.70 + 83 \times 0.30 = 77.4$ points.	Proposal B	: $80 \times 0.70 + 100 \times 0.30 = 86.0$ points
Proposal C	: $90 \times 0.70 + 91 \times 0.30 = 90.3$ points.		

The three proposals in the combined technical and financial evaluation will be ranked as under:

Proposal A: 77.4 points: H3

Proposal B: 86 points: H2 Proposal C: 90.3 points: H1

Proposal C at the total bid value of Rs.110 will, therefore, declared as winner and recommended for approval, to the competent authority.

Fraud / Corruption

DPIIT requires that the bidders participating in the selection process adhere to the highest ethical standards, both during the selection process and throughout the execution of the Contract. In pursuance of this policy, DPIIT defines, for the purpose of this paragraph, the terms set forth as applicable to both the parties:

“corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value (whether in cash or kind) to influence the action of a public official in the selection process or Contract execution.

“fraudulent practice” means a misrepresentation or omission of facts in order to influence a selection process or the execution of a contract.

“collusive practices” means a scheme or arrangement between two or more bidders with or without the knowledge of DPIIT, designed to establish prices at artificial, non-competitive levels.

“Coercive practices” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process or affect the execution of a contract.

DPIIT will reject a proposal for award if it comes to know that the bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract in question; and

Bidders shall be aware of the provisions on fraud and corruption prescribed in the specific clauses in the General Conditions of Contract.

Only one Proposal

Bidders will submit only one proposal. If a Bidder submits or participates in more than one proposal, all such proposals shall be disqualified.

Proposal Validity

The Data Sheet indicates how long Bidders’ proposals must remain valid after the submission date. During this period, Bidders shall ensure the availability of professional staff nominated in the Proposal. Should the need arise, **DPIIT** may request Bidders to extend the validity period of their proposal. Bidders who agree to such extension shall confirm that they maintain the availability of the professional staff nominated in the Proposal, or their confirmation of the extension of validity of the Proposal, Bidders could submit new staff in replacement, which would be considered in the final evaluation for Contract award. Bidders, who do not agree, have the right to refuse to extend the validity of their proposals.

Clarification and Amendment of RFP Documents

Bidders may request for clarifications on any part of the RFP documents up to the number of days indicated in the Data Sheet before the proposal submission date. Any request for clarification must be sent in writing, or by standard electronic means to **DPIIT**'s address indicated in the Data Sheet. **DPIIT** will respond in writing, or by standard electronic means and will send written copies of the response (including an explanation of the query but without identifying the source of inquiry) to all Bidders. Should **DPIIT** deem it necessary to amend the RFP as a result of a clarification, it shall do so by the following procedure.

At any time before the submission of Proposals, **DPIIT** may amend the RFP by issuing an addendum/corrigendum in writing or by standard electronic means. The addendum shall be uploaded on the DPIIT website and will be binding on them. To give Bidders reasonable time in which to take an amendment into account in their Proposals, **DPIIT** may, if the amendment is substantial, extend the deadline for the submission of Proposals.

Preparation of Proposals

The Proposal as well as all related correspondence exchanged by the bidders and DPIIT, shall be written in the language (s) specified in the Data Sheet.

In preparing their Proposal, bidders are expected to examine in detail all the documents comprising the RFP. Material deficiencies in providing the information requested may result in rejection of a Proposal. Each page of the Bid has to be numbered and signed either by the Principal Officer of the Agency or his duly Authorized Representative, in which case the bid shall be accompanied by a certificate of authority. A bid which does not fulfill this criterion will be treated as non-est and will be liable to be rejected.

The prospective bidders are expected to examine all instructions, forms, terms, requirements, and other information in the RFP documents. Failure to furnish all information required as mentioned in the RFP documents or submission of a proposal not substantially responsive to the RFP documents in every respect will be at the prospective bidder's risk and may result in rejection of the proposal.

Technical Proposal

Bidders are required to submit an original Full Technical Proposal Separately in CPP portal with the subject "Technical Bid - AGENCY NAME - **"Selection of an Event Management Agency (EMA) for Inauguration of India International Convention Centre (IICC), Dwarka, New Delhi"** as per details mentioned in Data sheet. The Data Sheet indicates the format of the Technical Proposal to be submitted. Submission of the wrong type of Technical Proposal will result in the Proposal being deemed non-responsive.

The Technical Proposal shall **NOT** include any financial information. A Technical Proposal containing financial information shall be declared non-responsive and will be rejected.

Financial Proposals

The bidder should submit the financial bid Separately in CPP portal as per the format indicated in **Form Fin-2** of the RFP document.

Conflict of Interest

DPIIT's policy requires that bidders should provide professional, objective, and impartial advice and at all times hold **DPIIT**'s interest's paramount and strictly avoid conflicts with other assignments or their own corporate interests.

Without limitation on the generality of the foregoing, Companies, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances.

Conflicting activities

A firm that has been engaged to provide goods, works, or services for a project, and each of its affiliates, shall be disqualified from providing consulting services related to those goods, works or services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, and each of its affiliates, shall be disqualified from subsequently providing goods, works or services for such preparation or implementation.

Conflicting assignments

Neither firm (including their personnel and sub-consultants) nor any of their affiliates shall be hired for any assignment that, by its nature, may be in conflict with another assignment of the consultants. As an example, consultants hired to prepare engineering design for an infrastructure project shall not be engaged to prepare an independent environmental assessment for the same project, and consultants assisting a client in the privatization on public assets shall neither purchase nor advise purchasers of, such assets. Similarly, consultants hired to prepare Terms of Reference (TOR) for an assignment shall be annexed to the Bid.

Ownership Rights

Ownership of anything (platforms, code, data, reports, deliverables outcome etc.) (a) that is conceived, discovered, developed or otherwise made by a selected bidder, solely or in collaboration with others, in the course of performing the assignment pursuant to the award of Contract under this RFP; or (b) that reflects or contains **DPIIT**'s confidential information; or (c) that forms all or part of a deliverable to be provided by the selected bidder, whether developed as part of the assignment or separately ("Work Product"), will be the sole property of **DPIIT** and **DPIIT** shall have all the rights, title and interests in respect of the same, in accordance with the terms of the Contract.

Conflicting relationships

The bidder (including its personnel) that has a business or family relationship with any member of **DPIIT**'s staff who is directly or indirectly involved in any part of (i) the preparation of the Terms of Reference of the assignment, (ii) the selection process for such assignment, or (iii) supervision of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved in a manner acceptable to **DPIIT** throughout the selection process and execution of the Contract. Bidders have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of **DPIIT**, or that may reasonably be perceived as having this effect. Failure to disclose the said situations may lead to the disqualification of the bidder or the termination of its Contract.

Issuance of Work order/ Letter of Intent (Lol)

Upon completion of the selection process, **DPIIT** shall issue the Work order/ Letter of Intent (Lol), to the selected vendor. Vendor is expected to commence the work immediately upon receipt of the work order/ Lol without fail. Vendor shall intimate to the concerned officer, before deployment of manpower, material, Machinery etc, into the premises.

Indemnity

The Selected Bidder shall, subject to the provisions of the Agreement, indemnify to **DPIIT** upto the cost for this project for any direct/indirect loss or damage that is caused due to any deficiency in services. The format of Indemnity shall be shared with selected bidder.

Performance security

For the due performance of the assignment in accordance with the terms and conditions specified, the selected bidder shall on the day or before signing the contract which shall not be later than 7 (Seven) days from the issue of the Letter of Award and prior to the commencement of work, furnish to **DPIIT** a performance security of an irrevocable and unconditional Bank Guarantee for an amount equal to **5% of cost mentioned in financial bid.**

The Bank Guarantee/s shall be in favor of **DPIIT**, issued by any nationalized or scheduled Indian Bank, approved by the Reserve Bank of India. The Bank Guarantee/s shall be on the Proforma, which shall be approved by **DPIIT**.

It is expressly understood and agreed that the performance security is intended to secure performance ofentire contract. It is also expressly understood and agreed that the performance security is not intended to cover all the damages detailed / stipulated in various clauses in the Contract document.

The assignment period, for whatever reason be extended, the bidder, shall at his own cost, get the validity period of Bank Guarantee in respect of performance security furnished by him extended and shall furnish the extended / revised Bank Guarantee to **DPIIT** before the expiry date of the Bank Guarantee originally furnished.

Bank guarantee shall be released, 60 days post the successful completion of the whole Project engagement

Bank guarantee shall not bear any interest to DPIIT. No claim shall be entertained in this regard.

Confidentiality

Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the Proposals or to other persons not officially concerned with the process. The undue use by any bidder of confidential information related to the process may result in rejection of its Proposal and adversely affect its future prospects.

Authorization of signatory:

The Bid may be signed either by the Principal Officer of the Agency or his duly Authorized Representative, in which case he/she shall submit a certificate of authority. All certificates and documents (including any clarifications sought and any subsequent correspondences) received hereby, shall, as far as possible, be furnished and signed by the Representative or the Principal Officer. The Principal Officer/ authorized representative of the Agency shall sign the proposal and also initial all pages of the original Technical and Financial Proposals. The authorization shall be in the form of a written power of attorney accompanying the Proposal or in any other form demonstrating that the representative has been duly authorized to sign. The power or authorization, or any other document consisting of adequate proof of the ability of the signatory to bind the Bidder shall be annexed to the Bid

Submission, Receipt, and Opening of Proposals

It is proposed to submit the bid on the CPP portal as under;

Envelope-1 on CPP portal: Technical Proposal

Technical Bid/Proposal including, technical evaluation documents and other relevant information pertaining to the RFP. Bidders are advised to submit the supporting documents against each criteria in technical evaluation parameter in summarised way in booklet form stating all the elements required for Technical bid viz. details of past projects ongoing/completed in letter head, project team, photographs of previous projects (if any), for better assessment of technical evaluation.

Envelope-2 on CPP portal: Financial Proposal:

Financial bid documents & BoQ along with the covering letter as per the format prescribed in the RFP

Proposal Evaluation

From the time the Proposals are opened and up to the time the contract is awarded, the bidders shall not contact **DPIIT** on any matter related to its Technical and/or Financial Proposal. Any effort by bidder to influence **DPIIT** in the examination, evaluation, ranking of Proposals, canvassing in any form or recommendation for award of Contract, may result in the rejection of the bidder's proposal.

Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

Evaluation of Technical Proposals

Proposals which are not supported by adequate proof of the Signatory's Authority will not be evaluated. Evaluation of technical proposal shall be solely based on the criteria defined in the RFP. DPIIT will scrutinise all the documents submitted by bidders in the proposal. A Proposal shall be rejected at this stage if it does not respond to important aspects of the RFP, or if it fails to achieve the minimum technical score indicated in the relevant sections in the RFP. The Technical proposals which are unsigned, and incomplete shall not be evaluated.

Evaluation of Financial Proposals

After the technical evaluation is completed, the qualified bidders shall be informed about the time and location for opening the Financial Proposals.

Financial Proposals shall be opened publicly in the presence of the technically qualified bidders' representatives who choose to attend. The name of the bidders whose technical proposal is found responsive (i.e., identified benchmark) shall be read out. The Financial Proposal of the bidders who meet the minimum qualifying marks in the technical evaluation will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals of the bidders who meet the qualifying marks as indicated in the Technical Evaluation shall be then opened, and the prices read aloud and recorded.

Financial proposals of only those bidders will be evaluated, who secure a **minimum of 70 marks out of 100 marks in the technical evaluation**. The proposal having lowest total bid value as indicated in the Financial bid, shall be given a financial score of 100 and other proposals given financial scores that are inversely proportional to their total bid value.
