Ministry of Railways
(Railway Board)**

No. 2022/TG-IV/10/PA/station categorisation

New Delhi, dated: 10.09.2024

**The Principal Chief Commercial Managers,
All Zonal Railways & Metro Rail.**

Sub: Categorization of railway stations

The categorization of railway stations is done every five years. The revision of categorisation of stations for the year 2024-25 is due and the same is based on the similar criteria as done in the year 2017-18 i.e passenger earnings (PRS + UTS) and number of outward passengers handled at railway station for the year 2023-24.

Based on the data received from all zonal railways and Metro Railway, the total number of stations opened for passenger traffic works out as 8809.

The Railway-wise and Category-wise segregation of Railway stations in different categories as per the criteria adopted has been done based on the data furnished by Zonal Railways for the financial year 2023-24 and the same is enclosed as Annexure A. In supersession of all earlier instructions on the captioned subject, the enclosed annexure are issued for compliance.

(Pritha Devrani)
