Vide letters from Board and approval of competent authority, the online training for Running Category and Station Masters has been given to the staff who were falling due upto July-2020. Railway Board vide reference no.2 & 3 has advised to continue online training on regular basis including conducting online examination.

**Now the competent authority on perusal of the letters issued by Board cited above, has advised to continue giving online training for all refresher courses to Running Category and Station Masters who are falling due beyond July in view of the space constraint at ZRTI on account of maintaining social distancing.**

Apart from online courses for refresher course, it is planned to resume regular class room training at ZRTI from 20.07.20 in phased manner for which separate letter is being addressed. As the capacity at ZRTI is less on account of social distancing norms, the available capacity is planned for conducting classes to initial and promotional courses. Based on the strength of the faculty it is decided to conduct online to refresher courses as under:

- A. Refresher-SM & Guards- One batch each consisting of maximum 25 trainees.
- B. Refresher-LP & ALP- Two batches each consisting of maximum 25 trainees.

Further on need basis, batches will be increased.

The same procedure and modus operandi as being followed will continue to be followed for conducting online training.

The detailed calendar showing the dates of all cadres is enclosed as Annexure-A.

Encl: Annexure-A.
