No.EO70677/G.I/Parking/2024

Date: 29.04.2024

Sr.DCM/SC, BZA, GTL, HYB, GNT & NED

Sub: Targets for revenue from Parking contracts for the FY: 2024-25 -Reg.

As discussed with the divisions in the review meeting held on 16.04.2024 & 18.04.2024 and considering the idle assets, division wise targets for parking contracts for financial year 2024-25 are given below.

S.No.	Division	Target for 2024-25 (Rs. In Crores)	Remarks
1	SC	12.80	These targets are subject to revision based on guidelines issued by Railway Board.
2	BZA	10.00	
3	GTL	2.50	
4	HYB	2.50	
5	GNT	2.00	
6	NED	2.50	
SCR Total		32.30	

Further, in order to surpass the targets and generate additional revenue during this fiscal the following action to be taken by divisions.

1. All Non-operational assets (Idle) are to be made operational by awarding contracts duly reviewing RP and by forming clusters wherever required.
2. Efforts should be made to award all the idle assets at NSG-1 to NSG-4 category stations on priority basis at the earliest.
3. Regular review and advance planning shall be done for which contracts are going to expire within 2 months.
4. It is to explore additional area adjacent to or nearby existing contracts wherever demand is there and same may be awarded on pro-rata basis to the existing contractors or otherwise fresh contracts may be planned for that area.
5. New assets to be identified viz., both sides of station building wherever feasible, stations where new section was commissioned, new terminals developed, wherever redevelopments works are completed/going to be completed during this year etc.

This is issued with the approval of PCCM.
