In reference to above, instructions were given to ensure that all new appointees into railway service to mandatorily enroll for and complete Prarambh course on iGOT digital platform. It was, however, noticed that as on 12-11-2023 only 387 new appointees out of a total of 10817, who have joined South Central Railway recently, completed all 8 courses under Prarambh module on iGOT platform. Such a poor progress indicates that the instructions conveyed in this regard were not percolated down the line effectively.

Since Mission Karmayogi is a high priority area, please take immediate action to communicate to all new appointees through their respective immediate supervisors to mandatorily enroll for and complete all 8 curated courses under Prarambh module on iGOT portal. The progress achieved in this regard should be monitored at Branch officers' level in the divisions and also by the Training Managers/HODs concerned at HQs to ensure 100% compliance by 30-11-2023.
