No.C.473/RG/CRWC/2019

Dt.11-10-2021

Sr.DCMs/SC, HYB, BZA, GTL, GNT, NED

Sub: Development of Railside Warehousing Complex (RWC)
within any Railway Goods shed area.

Ref: Letter No.CRWCCCO-CD/RWC/Railway Zones/2021-22/1129
dt.30-9-2021.

1. Central Railside Warehouse Company Limited (CRWC) vide letter cited above (copy enclosed) requested to identify list of Goods sheds which are handling about 15 rakes per month and where land parcel of size 650 m x 28 m is available for development of Railside or off the railside, warehousing, silos, open stockyard complex etc.

In this context, CRWC require Land Plan, ESP and System Map of shortlisted Railway stations, for preparation of PFR/DPR and seeking In Principle Approval and final approval of the competent authority of the Railways for setting up Railside Warehousing Complex.

2. It is to apprise that a Memorandum of Understanding among the Ministry of Railways and Central Warehousing Corporation and Central Railside Warehouse Company Limited has been entered into for development of Railside Warehousing complexes.

3. In view of the above, divisions are hereby advised to –

- Examine and identify the Goods sheds which are handling about 15 rakes per month mostly covered Jumbo rakes for Foodgrains, Fertilizers, Cement and other commodities.
- Furnish the list of Goods sheds, where there is feasibility for establishing Railside Warehousing complexes with the availability of land.
- Obtain the approval of DRM.

Encl: as above

Sub: Development of Railside Warehousing Complex (RWC) within any Railway goodshed area.

1. Central Railside Warehouse Company Ltd. (CRWC), Miniratna, CPSE is a 100% subsidiary of Central Warehousing Corporation (CWC), a Schedule-A, Miniratna PSU, under the Ministry of Consumer Affairs, Food & Public Distribution. It has mandate to develop warehousing (storage) complex (open/covered) / RWC, under tripartite Memorandum of Understanding (MOU) signed, amongst Ministry of Railways, CWC and CRWC (Annexure -1).
2. CRWC has successfully developed 20 RWCs on railway leased land and being operated & maintained. Additional seven RWCs are at various stages of concept to commissioning. CRWC is operating RWC at Whitefield and Mysore stations on South Western Railway. (Annexure - 2).
3. CRWC proposes to develop RWCs within Railway goodshed, to provide warehousing facilities, along siding / anywhere within goodshed for bagged commodities: clean (salt, foodgrains) and dirty cargo (cement), silo-based storage for bulk cement, fly/pond ash and liquid and steel. These are permitted within the frame work of MOU. CRWC will finance, construct and operate & maintain infrastructures, like, 650mx15m covered warehouse with docking facility on either side for trucks and wagons, office block, labour shed, canteen, lighting, basic amenities, paved cement concrete approach road & circulating area, etc. Overall planning of RWC depends on commodity profile and land available within the goodshed area. A land strip of size 650mx28m is ideally required. Overview of CRWC/RWC is enclosed at Annexure - 3.
4. Customers may be demanding warehousing and allied handling & transportation facilities at various goodsheds, which may already be known to Railway officials.

इस कार्यालय में हिन्दी के पत्रों का स्वागत है।
