South Central Railway Rail Suvidha App

Why Develop Station Amenities App?

- A Passenger going to a new station for first time is unaware of facilities available at that station.
- He need to verify through various channels like Enquiry counter, call 139, IVRS etc to know the info.
- Instead, this All-in-One app will provide the complete information of station with Amenities available there.

Salient Features

- To know the amenities available in station and their locations.
- Facility to know the present location of the amenity from User GPS based mobile device and get the route map for required amenity in NSG1 & NSG2 stations.
- Amenity search & navigation is made available in all major stations.
- Simple & user friendly.
