

SOUTH CENTRAL RAILWAY

Office of the Chief Commercial Manager (Passenger Marketing),
I Floor, Reservation Complex, Secunderabad - 500 025. FAX: Rly. 88486, BSNL.040-23446826.

No: C/CR/409/Stores/ATVMs- Relocation.

Date: 03/05/2023.

DCMs: BZA, GNT & NED.

Sub: Relocating released ATVMs to HYB Division- Reg.

Ref: i) This office lr. no. C/CR/409/Stores/ATVMs/Div dated 01/11/2022.

ii) DRM /HYB lr. no. Y/C.ATVMs/2023-24 dated 21/04/2023.

Basing on the requests received from the Divisions 97 ATVMs were procured in October, 2022. Supply, installation and commissioning of these ATVMs was completed by 14/03/2023 as per the list annexed to the letter cited at reference (i) above.

Recently as part of the MMTS phase - II project, MMTS services were extended upto UR from FM over STPD-UR section and new services were introduced on SC-MED section. To augment the ticketing infrastructure at the new MMTS stations and other non-suburban stations, DRM /HYB has requested for 63 additional ATVMs.

Keeping in view the time involved in indenting, finalisation, supply, installation and commissioning of new ATVMs, as an interim measure, it is proposed to relocate the released ATVMs that are functional to HYB Division. Details of the ATVMs proposed for relocation is enclosed.

It is therefore requested to arrange for transporting 21 released ATVMs available at BZA, GNT & NED Divisions to HYB Division. The following precautionary measures may please be initiated before transporting the ATVMs:

- i) Availability of the connecting patch cables, UPS, Keyboard, mouse etc., is to be checked, placed in the kiosk and locked. For easy identification keys should be distinctly tagged with station name and serial no. of the ATVM.
- ii) Touch Screen and thin client should be removed from the ATVM kiosk. To avoid physical damage, touchscreens and thin clients should be packed securely and handed over to CCI/ Chg/ Sr.DCM office/HYB along with the keys of the ATVM kiosk.

Enclosed: Details of ATVMs to be re-located.
