Sub: Sanction provision for hardware at stations for TTE lobbies-Reg

Ref: 1.GM/PMS Ir no.2015/CRIS/NDLS-HQ/PMS/PROJECT/CTTI PH -II/0291/PT-1,dt
24.06.2022

2. Railway Boards Ir.no 2021/C&IS/Project/TTE Lobby Proliferation/14,dt 24.08.2022.

3. CAO/PTS Lr No.CAO/PTS/138/PTLB/2021 dated 30.09.22.

Please find enclosed herewith the copies of the letters received from CRIS, Railway Board & CAO/PTS regarding procurement of hardware equipment i.e. Thin Clients, UPS, DMP Printers and Biometric devices for 124 terminals at 79 lobbies under the work of "Proliferation of Computerized TTE Lobbies over Indian Railways".

CAO/PTS vide letter under reference (3) have further communicated that the expenditure incurred for the same may be raised to FA&CAO/Expenditure/N.R, Baroda House. In this regard, indent is being placed by Headquarters for supply of Lobby Equipment directly to individual locations (copy of sanctioned locations enclosed).

In view of the above, the following instructions are issued, including instructions for site readiness at respective TTE Lobbies, by the time Equipment is supplied:

1. Earmarking room for installation of thin clients with printer and UPS. Since they will be installed in Amenities/Squad/Ticket Examiner offices, the existing offices can be considered for the same, unless they cannot accommodate the equipment. At major stations, few equipment can be kept in different offices Eg: Platform No.1 & 10 of SC station, TTE Rest Houses, CTI/G office etc.
2. Earlier separate lobbies were sanctioned for Sleeper and Conductor Depots of BZA, GNT and KCG. Now single Lobby has been identified for a station (including for existing Lobby locations). Accordingly, Divisions should make arrangements for bringing all staff (stationery, squad and Amenities) within the ambit of single TTE Lobby.
3. Two equipment have been sanctioned for MMR location though this office has not projected for the same. NED Division may consider keeping the equipment in TTE Rest House at MMR, as made available by BZA Division at VSKP TTE Rest House.
4. Computer table/s, chairs for operators and Almirahs to keep records, to be arranged by Divisions locally, as per requirement, considering the number of equipment sanctioned for a location.
5. Other civil and Electrical works to be done, if required. Wiring to be done with termination of sockets of 5A each.
6. Structured LAN cabling (for No. of nodes as per Thin Clients sanctioned).
7. For new locations, Divisions to ensure Railnet last mile connectivity from Point of Presence (Pop) of Railnet to the Lobby location, in-coordination with S&T department Existing locations will continue on UTN Network.
8. DG power back/ alternate power back arrangements available at station to be provided since UPS is only for limited back up.

Matter may please be treated as most urgent and immediate.

This is issued with the approval of PCCM.

GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No. 2021/C&IS/Project/TTE Lobby Proliferation/14

New Delhi, Dated: 24.08.2022

The General Manager,
Northern Railway,
New Delhi.

Sub- Detailed Estimate of the work of "Proliferation of Computerized TTE Lobbies over Indian Railways".

Ref- CRIS's letter No. 2021/CRIS/NDLS-HQ/PMS/PROJECT/CTTL PH-II/0291/PT-1 dated 24.06.2022.

Detailed Estimate of the work of "Proliferation of Computerized TTE Lobbies over Indian Railways" proposed vide above referred letter at the cost of Rs. 26.59 Crore has been pruned down to Rs. 25.41 Crore by deleting the item "First Year Cost of Internet Connectivity at TTE Lobbies to be provided by respective Zonal Railways" amounting to Rs. 91,61,124/ plus charges as Internet should be used through Railnet as common network infrastructure.

Accordingly, sanction of the Ministry of Railways is hereby communicated for the Detailed Estimate of the work of "Proliferation of Computerized TTE Lobbies over Indian Railways" at the cost of Rs. 25.41 Crore (Rupees twenty five crore and forty one lakh only)

This work may be carried out in an open, competitive, transparent, fair and cost effective manner after drawing up 'right-sized', 'vendor and technology neutral' technical specifications and other tender conditions

This issues with the concurrence of Finance Directorate of Ministry of Railways

(Bharat Bhushan Harit)
Joint Director/ME(C&IS)

2. Railway Board letter vide no.2021/C&IS/Project/TTELobbyProliferation/14 dated 18.11.2021.
3. CAO/PTS/NR letter vide no.CAO/PTS/138/PTLB/2021 dated 09/03/2022

Abstract estimate of Proliferation of TTE Lobbies for additional 200+ TTE lobbies over IR at a cost of Rs.16.13 Cr. was sanctioned by Railway Board vide letter under reference (1). The scope of works as proposed in abstract estimate includes setup of new separate central infrastructure for TTE lobby application to cater the existing user load of TTE lobbies and additional user load of proposed TTE lobbies on CRIS Cloud and development, integration of Biometric authentication of TTE Sign ON/OFF. It was decided that the peripheral equipment for TTE lobbies (Thin Client, UPS, DMP Printer, Biometric devices & networking equipments etc) will be procured, implemented and maintained by Zonal Railways as per their requirements and as per specifications as advised by CRIS. Accordingly the detailed estimate at a cost of Rs.16.91 Cr was proposed and vetted by CRIS finance.

In continuation of the above, Railway Board has given the following directions vide letter under reference (2) while framing/sanctioning the detailed estimate of the project for procurement by the concerned zonal Railways:-

- Provision of station level equipments i.e. Thin Client, UPSs, DMP Printer, Biometric devices, Networking equipments and connectivity for computerization of remaining TTE Lobbies
- Provision of replacement of hardware of existing computerized TTE Lobbies after expiry of defined codal life.

Accordingly, Nodal office has sent a list of TTE lobbies over IR along-with distribution matrix of required equipment under reference (3). As per received list, there are total 573 TTE lobbies over IR in which 198 TTE lobbies has already been implemented and remaining 375 TTE lobbies to be implemented.

Also, the existing computerized TTE lobbies are connected with TTE Lobby server through UTN network presently. As discussed with Nodal office on 13.04.2022, in order to avoid dependency of TTE Lobby on fixed UTN network and facilitate flexibility of usage of TTE Lobby application, it was decided that the TTE Lobby application should run on

CHANAKYAPURI NEW DELHI-110021

टेलीफोन/TELEPHONE 24104525, 24106717 फैक्स/FAX 51-11 26877893

Internet for utilization of all modules of application. Accordingly, provision for connectivity of TTE lobby through Internet has been made in detailed estimate.

The detailed estimate including the above changes in the scope of the project has been prepared at a cost of Rs 26,59,37,216/- (GST inclusive) and has been duly vetted by CRIS/finance and approved by MD/CRIS which is enclosed herewith. As per finance concurrence, this will require the sanction of Railway Board in reference to Railway Board letter vide no. F(X)II/2016/PW/2/Pt.3 dated 14.10.2016 and 20.11.2017.

It is therefore requested to kindly forward the detailed estimate of "Proliferation of TTE Lobby over IR" Project at a cost of Rs. 26,59,37,216/- (GST inclusive) to Railway Board for its sanction so that further action can be taken accordingly.
