D.O. No.2024/Sec(PS)/Festival Rush

10th January, 2024

My dear General Manager,

Subject:- Enhancing Security Measures for Railway Operations.

Your kind attention is invited to DO letter dated 10.01.2024 of Chairman & CEO/Railway Board which has emphasized the importance of implementing effective security and safety practices in the railway network spread across the country.

In order to ensure both Safety and Security in all aspects of operation of Indian Railways, a list of suggested activities that each department within Indian Railways should implement and enforce as part of our comprehensive security strategy is enclosed. These guidelines are not exhaustive but serve as a starting point for our teams to conduct security audits, assess vulnerabilities and take remedial actions based on local requirements. By doing so, we can ensure seamless functioning of the railways system and minimize the risk of any untoward incidents.

I hope that our collective efforts will ensure a consistent movement towards safer and more secure railway network.

Yours sincerely

(MANOJ YADAVA)

The General Managers,
