Advance Reservation

The Passengers can book tickets for any train through the Indian Railways Computerised Passenger Reservation Network from any originating station or train passing through station to any destination. Reservations can be made subject to restriction and availability of quotas. Reserved tickets for journey can be purchased through the Passenger Reservation System (PRS) counters, Internet and GPRS enabled Mobile phones and the PRS counters in the notified Post Offices.

Advance Reservation Period :

The Passengers can reserve tickets 120 days in advance, excluding the date of journey. At intermediate stations where the train arrives the following day, reservations can be done 121 days in advance. In case of some intercity day journey Express trains, the advance reservation period is reduced. Any one of the passengers booked on the reserved ticket in AC First Class, Executive Class, AC 2-Tier, AC 3-Tier, AC Chair Car, Sleeper & Second Sitting will have to carry one of the ten prescribed proofs of identity in original during the journey (Ten prescribed proofs of identity given under the heading "Making an E-Reservation"). However, this provision has been relaxed for passengers booked through Computerised Passenger Reservation System (PRS) counters and travelling in SL class and second reserved sitting classes (2S). These passengers can carry the attested photocopy of ration card or the pass book issued by a nationalised bank with photographs as a proof of identity. The above provision is also not applicable for e-tickets. E-Aadhar is also accepted as one of the prescribed proofs of identity.

Reserved Status of your ticket :

The reservation status is indicated on the ticket. If the ticket is confirmed, the coach and berth numbers are indicated on the ticket in all classes other than First Class and AC First Class. For these two classes, the word 'CNF' (i.e. confirmed) will be printed. Passengers choice for lower berth or a coupe is noted in the system at the time of booking. However, allotment is done basing on the age, protocol requirements & priority in booking.

If the ticket is in the RAC (Reservation Against Cancellation) or in the Waiting List (WL), the same is indicated on the ticket. The passenger can board the reserved compartment with an RAC ticket, duly provided with only sitting accommodation initially and subsequently allotted a berth in case of a vacancy. If the ticket is wait listed, the passenger should not board the reserved coach else, will be fined / detained.

The status of ticket can be obtained from Integrated Train Enquiry System (139) or from the Indian Railways website www.indianrail.gov.in. This site also provides real time enquiries relating to availability of seats and berths in a train, train timings, train fares etc.

Sleeping accommodation:

(a) Sleeping accommodation is provided between 2200 hours and 0600 hours and the sitting accommodation for the rest of the period for the passengers in reserved classes having sleeping accommodation.

(b) On the side lower berths on which passengers have been booked under Reservation against Cancellation (RAC), during the daytime, sitting accommodation is also provided for those booked on the upper berth.

(c) A person booked on side upper berth will not have any claim of seat on the lower berth between 2200 hours and 0600 hours.

(d) Passengers are, however, requested to co-operate with sick, persons with disability and pregnant ladies in case they want to sleep beyond permissible limits.

Online Booking :

The passengers can also book tickets by logging on to the website of the Indian Railway Catering and Tourism Corporation (IRCTC) www.irctc.co.in. Booking procedures are simple and user friendly.

Credit Card Booking :

For passengers convenience, Indian Railways have nominated counters through credit cards. This facility is presently available only at important Computerised Reservation Centres.

Refund on Tickets Purchased on Credit Card :

Tickets purchased on Credit Cards can be cancelled and Credit Slip obtained only at such Railway Stations where Credit Card counters exist. Where such

facility is not available, Passenger can obtain Ticket Deposit Receipt (TDR) and apply for refund to the Chief Commercial Manager (Refunds) of the Zone, to which the ticket issuing Station belongs. For confirmed tickets, TDR must be obtained four (4) hours before the scheduled departure of the train. For W/L or RAC tickets, the TDR must be obtained up to thirty (30) minutes before the scheduled departure of the train. The TDR must be submitted within 10 days from the date of receipt for getting refund.

Automatic Upgradation of Passengers :

The automatic upgradation scheme provides for free upgradation of full fare paying passengers to the next higher class against vacant accommodation to optimise the utilisation of available accommodation in trains.

- The Upgradation scheme is available in nominated trains having 1AC/2AC/3AC/SL/2S accommodation.
- Upgradation is done only for confirmed passengers of General and Tatkal quota.
- The upgradation scheme is applicable only for full fare paying passengers and is not applicable to concessional ticket (including Senior citizens travelling on concession).
- Upgradation is not done in Bulk Booking transactions.
- The upgradation will be done automatically at the time of release of final charts, unless the passenger has indicated his/her unwillingness in the reservation requisition form at the time of booking the ticket.
- Passengers need not have to pay any difference of fare for travelling in higher class under this scheme.
- Upgradation of passengers is fully controlled by the System and there is no manual intervention, i.e., either all passengers in one PNR will be upgraded or none will be upgraded. However, after upgradation the system does not guarantee compact accommodation or berth choices made by the passengers in the original class, at the time of booking tickets.
- The passengers' choice (YES/NO) for upgradation is obtained at the time of booking the tickets itself. If the passenger does not exercise the option, it would be construed that the passenger has opted for upgradation.
- When no confirmed passengers have opted for upgradation then all the RAC/Waitlisted passengers will be considered for upgradation irrespective of their option.
- Upgradation of passengers may be done in one / two class above.
- Original PNR of upgraded passengers will remain unchanged and information from PRS/IVRS etc. will be provided when enquiry is made with the original PNR.
- *There would obviously be changes in the coach number and berth numbers of passengers who had earlier been allotted confirmed accommodation, if they are upgraded. In view of this, passengers are advised to check their final Coach No./Berth No. after charting before occupying the berths.*
- If the passenger, who has been upgraded cancels his ticket, cancellation charges of the original class only will be levied.
- If the passenger gives his/her mobile number while booking, on upgradation, if any, will be advised through SMS alert after charting.
