विषय / Sub:Special drives against Touts at Reservation Offices and current booking counters-reg.

संदर्भ / Ref : No.C.568/G.II/Prosecution of Touts/Vol.IV dt.16/02/2021.

During the pandemic period(Covid-19) few special trains are being operated by the administration for the convenience of the passenger i.e only reserved passengers. As the train services are limited there is a heavy demand from traveling public in major routes and to various destinations. In such situations there is chance of touting activity and media is also reported on the same issue.

In view of the above, it is advised to conduct continues drives against touting with the coordination of RPF staff at Reservation offices and Current booking counters and submit reports to this office to apprise the same to PCCM.
