Kind attention is invited to this office letter referred (1) above, wherein it was requested that EFT Transaction Summary (Trip-ID) should be made mandatory for depositing of Ticket Checking earning w.e.f 1.8.2023 in UTS. However, almost all Railway reported that there is delay in uploading of EFT details of individual TTE in the TTE lobby application. SCR, SWR, NER & CR vide their above references have requested further postponement of this feature till such time the system stabilizes.

Competent Authority (CAO/ PTS), has decided that the deposit of Railway ticket checking earnings mandatorily through the generation of EFT Transaction Summary (Trip ID), as provided for in Railway Board's letter no 2015/ TG-I/ 10/ DT/ Pt. II/ 4 dated 19.202020, should temporarily be kept in abeyance.

It has further been decided that the feature should now be enforced with effect from **01.12.2023**; and till such time period both options i.e., deposit of ticket checking earning of TTE/ TC through their respective PF number as well as through Trip-ID should be available in UTS at all the stations.

CRIS may like to up-date the UTS/ TTE lobby applications accordingly and ensure that the system is stabilized in the intervening period.
