CHANGE PAY MODE VERIFY PAYMENT

After done payment by passenger click on Verify payment button

After successful payment completion from passanger's end, press **Verify Payment button**. This step is mandatory to complete the transaction.

***Note - First make sure the payment has been done by passanger then click on 'VERIFY PAYMENT' button.**

Then Summary page will show.

This may generate following messages in different scenarios

i. Payment Successful.

In this case EFT page will be navigated to the next step and will show payment is successful and EFT is recorded.

ii. Payment approval waiting

Try until you get a success.

iii. Bank Connection failure/ Bank Payment failure

Payment failed. But can be retried. On this case passenger may need to pay again. But if amount is deducted already, older transaction will be refunded back to the passenger within 3-5 working days.

*** Note - In between these steps if app/device gets closed for any reason, the same transaction may be resumed by putting all details same in the EFT form.**
