(रेलवे बोर्ड RAILWAY BOARD)

No. 2022/TC(FM)/10/04

New Delhi, dated 02.09.2022

Principal Chief Commercial Managers,
All Zonal Railways.

Sub: Up-dation of details of existing contracts into e-Auction module of IREPS, and on-boarding of the existing/ prospective contractors.

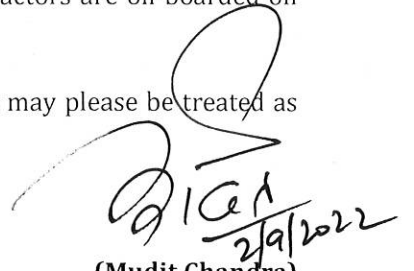

It has been noticed that many of the Divisions have yet not entered the complete details of existing commercial earning and NFR contracts (which were awarded through tendering or by calling quotations, before launch of e-Auction) into the e-Auction module of IREPS, leading to difficulties in assessing the actual position of utilization/ idling of assets.

Beside, many of the existing and prospective contractors, including registered leaseholders for leasing of parcel space, have not been on-boarded on the e-Auction portal so far - which is resulting in less competition during e-Auctions.

It is, therefore, requested that:

- 1) Details of all the existing commercial and NFR contracts - which are within the ambit of the policy for e-Auction - may be entered into the e-Auction module latest by **09.09.2022** (a confirmation of the same shall be sent for the perusal of Board by 12.09.2022); and
- 2) Efforts may be made to ensure that all the existing and prospective contractors are on-boarded on the e-Auction portal at the earliest.

Zonal Headquarters are requested to monitor the compliance please. This may please be treated as **MOST IMPORTANT.**
