No.2(13)/E.III Desk/2017 Ministry of Finance Department of Expenditure (E.III Desk)

> North Block, New Delh Dated 13 June, 2016 13-06-2018

#### Office Memorandum

Subject: Cadre Restructuring of Group 'C' categories on Indian Rallways
- method of calculation of financial Implications,

The undersigned is directed to refer to Ministry of Railways' O.M. No. PC-III/2013/CRC/4 dated 07.05.2018 seeking clarification/ guidelines with regard to calculation of financial implication and to say that the matter was referred to E.Coord.I Branch of this Department the nodal section. The E.Coord.I Branch, D/c Expenditure has clarified the Issue as under:

For regular/ temporary posts:

'Average of Pay cell-1 (entry pay) & Pay cell-10 of proposed Pay Level
of the post as per 7th CPC (w.r.t. pre-revised Grade Pay) + DA'

Financial Implication= (Pay Cell + Pay Cell 10) of Pay Level as per 7th CPC + DA

Concept: Personnel's posted against any post in particular Pay Level usually get promoted to higher posts within 7-8 years or get MACP after completion of 10 years of services in that particular Pay Level (pre-revised GP). Next person to be recruited against the post either Johns at entry pay i.e. Pay Cell-1 or in Pay Cell-1 to 6 of that Pay Level of the post. Hence, financial implication of any post in perioditar Pay level may be calculated as 'Average of Pay Cell-1 (entry pay) & Pay cell-10 of proposed Pay Level of the post as per 7th CPC (w.r.t. pre-revised Grade Pay) + current DA.

il. For co-terminus posts:

'Pay cell 1 (entry pay) of proposed Pay Level as per 7th CPC + DA'

Concept: Co-terminus posts are created in respect to the tenure of the Minister/
Member of the organization wherein the tenure of the Minister/ Member is not
known (not fixed). In those cases, the financial implication of the posts in
proposed Pay level may be calculated as 'Pay cell 1 (entry pay) of proposed
Pay Level as per 7th CPC (w.r.t. pre-revised Grade Pay) + current DA'.

For HAG level & Apex Level posts i.e. Pay Level-15 & above:

'Pay cell 1 (entry pay) of proposed Pay Level as per 7th CPC + DA'

Concept: For HAG levels post (Level-15 & 16), only upto Pay cell-8 & upto Pay cell-4 is mentioned in Pay matrix of 7th CPC, respectively. For Apex level (level-17) & Cabinet Secretary (Level-18), only one Pay cell i.e. entry pay cell is

98/104/

mentioned in pay matrix. It would appropriate to calculate financial implication of the proposed posts in Pay level-15 & above as "Pay cell 1 (entry pay) of proposed Pay Level as per 7th CPC (w.r.t. pre-revised Grade Pay) + current DA".

Note: Pay Levels are the respective levels in 7<sup>th</sup> CPC Pay matrix corresponding to the pre-revised Grade Pay of 6<sup>th</sup> CPC where Pay cell are sub-levels of the particular Pay Levels of 7<sup>th</sup> CPC as marked in Annexure-1.
