Sub: - Screening of Temporary instructors from divisions - reg-

<<<>>>

1. With reference to the above subject, a total of 2370 staff/candidates of SMs, Guards, Sr.CCTC and CCTC are required to be trained in initial courses at ZRTI. Out of 2370 candidates 469 are undergoing training at ZRTI/MLY. The balance 1901 candidates are to be trained without any delay
2. To overcome the acute shortage of frontline staff over the divisions, it is proposed to conduct training programme in two shifts i.e. first shift from 08.00 Hrs to 13.15 Hrs and second shift from 13.45 Hrs to 19.00 Hrs. In order to implement the above mentioned two shifts system in addition to the existing capacity of Instructors **10 Operating instructors and 14 commercial temporary instructors** are required for successful completion of the Training programme.
3. The above proposal has been sent to PCOM and agreed in principle with the above contingency plan. For this purpose a screening committee at JA grade level has been constituted to select the additional instructors as required by ZRTI.

In view of the above, volunteers from serving & retired employees may be identified by the divisions/Hqrs and the same may be forwarded to this office positively by 02/02/2023.
